

MORE HOUSE 4 LESS MARYLAND MORTGAGE PROGRAM

The Community Development Administration of the Maryland Department of Housing and Community Development (CDA/DHCD) administers the More House 4 Less Program, offering low-interest mortgages, as well as down payment and settlement assistance to first-time homebuyers throughout the State. Prospective homebuyers who have not owned their principal residences within the last three years are also eligible for this program.

Additionally, there are identified target areas in each county of the State where the applicant need not be a first-time buyer. For Worcester County, this target area is census tract 9903.

For more information on the Maryland Mortgage Program, including current rates, income limits and maximum loan amounts, or to begin the application process, please call your local realtor or contact the State CDA Office at 1-800-638-7781.
