PUBLIC NOTICE

Notice is hereby given that the Worcester County Planning Commission will hold a Public Hearing on Worcester County's draft 2017 Land Preservation, Parks and Recreation Plan (LPPRP), on February 1, 2018 at 1:00 p.m. in the County Commissioners Meeting Room located on the first floor in the County Government Building, 1 West Market Street, Snow Hill, Maryland.

Worcester County's Draft 2017 Land Preservation, Parks and Recreation Plan

The State of Maryland requires counties to update their Land Preservation, Parks and Recreation Plan (LPPRP) every six years, one year prior to the revision of the statewide Maryland Land Preservation, Parks and Recreation Plan. The LPPRPs qualify local governments for State Program Open Space (POS) grants and other programs related to three land resource elements: Recreation and Parks; Agricultural Land Preservation; and Natural Resource Conservation.

The Worcester County Draft 2017 LPPRP has been developed in accordance with guidelines provided in 2017 by the Maryland Departments of Planning and Natural Resources. The updated Plan contains key information, goals, and recommendations to guide the County's management and enhancement of its parks, recreation facilities and open space assets for the next five years.

The Draft Plan can be found on the County's web site at <http://www.co.worcester.md.us/departments/env>. Citizens wishing to make verbal or written comments are encouraged to attend the hearing. Written comments may be submitted to kmunson@co.worcester.md.us or Worcester Co. Department of Environmental Programs; 1 West Market St, Suite 1306; Worcester County Government Center; Snow Hill, MD 21863.

For further information, contact Worcester County Environmental Programs at (410) 632-1220 or by e-mail at kmunson@co.worcester.md.us
