**Guest**  
Frank Foley  
**Worcester County Water and Wastewater Division**  
John Ross, Jessica Wilson, Gray Serman, Peggy Ellerman

The regular meeting of the Mystic Harbour Advisory Board was held at 4:00 PM on Monday October 15, 2018 at the Mystic Harbour Association meeting room.

The meeting minutes from July 9, 2018 were reviewed and approved by Rich Jendrek and Marty Kwesko.

Eagle's Landing irrigation system:

The work is done at Eagle's Landing golf course. Treated waste water was sent up to the golf course today. We can get the treated waste water up to the golf course but we need the pump to get it there at the rate it is needed. We are waiting on the pump station. The pump station should be here the first week in December. They are doing a little bit of restoration work but nothing else is going on.

Frontier Town:

The work for Frontier Town is completed. There is a walk through scheduled on Thursday October 18, 2018. The startup is next week.

EDU's:

The commissioners approved an additional 34 EDU's for Frontier Town. Sea Oaks purchased 63 EDU's in September, 2018 but the purchase is pending MDE approval. GCR Development purchased 27 EDU's on July 3, 2018.

The next meeting will be January 14, 2019 at 4:00 P.M.
