1.0 – QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the Bid Documents.

Item	Questions and Answers
1.1	<p>Q. I understand that you require the contractor to obtain a testing agency for the concrete cylinders. Will you also require a compaction test for the soil, and the stone?</p> <p>A. The County would like to have the soil and stone tested. We believe this could be done at the same time.</p>
1.2	<p>Q. On Page 12 of the bid documents, it states that the vendor is to obtain and pay for all necessary permits required. Can you provide details of the permits that are required?</p> <p>A. With this being a county project on county property, there are no county permits required.</p>
