

What to Do with Used Sharps in **Maryland**

Put used sharps in a strong, plastic container

When the container is 3/4 full, put the lid on, seal it with duct tape, and label **DO NOT RECYCLE**.

Put the plastic container in the household trash - **don't recycle!**

Sharps should never be thrown loosely into the trash or toilet

Sharps that retract after use, or are very small, should be disposed of like all other sharps.
