#### **3.0 – QUESTIONS AND ANSWERS**

The following questions and answers are provided as a matter of information to clarify issues raised about the Bid Documents.

<b>Item</b>	<b>Questions and Answers</b>
1	In review of your bid, this unit is to have a snowplow, however, it does not list out front frame extension? Truck will need to be equipped with a front frame extension that will allow the plow to be mounted to the truck. Bid doesn't specify how the plow mounts to the bumper/truck.
2	Bid specs call for a 26,000 pound rear axle, would a 23,000 pound suffice? No, we would like to stay with the 26,000 pound rear axle as specified in the bid specs.
