May 27, 2026

This notification is to advise you that the Department has received and is presently reviewing the following request for a shoreline construction project:

Mark & Kimberly Brumbaugh - Request No. 2026-035 – Request to remove two PWC lifts and request to install one double PWC lift with associated pilings. Max channelward extension 18'. This project is located at 23 Leslie Mews, Ocean Pines, also known as Tax Map 16, Parcel 96, Lot 71. Third Tax District of Worcester County, Maryland.

The Department in considering this application will make specific findings of fact with regard to the environmental impact, navigational impact, recreational potential, commercial benefit to Worcester County, impact of the proposed construction upon the surrounding neighborhood and upon property values therein, and any other pertinent issues. Approval from the Department does not guarantee approval from any other applicable regulatory agencies.

If you have an interest which may be adversely affected by the issuance of this permit, you are requested to notify this Department in writing within fifteen (15) calendar days which will end on June 11, 2026.

Sincerely,

Brandy Whitlock
Natural Resources Specialist II

As the applicant, I attest that the information presented on this application, site plan and any written documentation attached hereto is known to be accurate. I understand that the proposed shoreline improvement will be constructed to meet or exceed minimum design standards adopted by the Department. Any deviation from these standards will require construction plans sealed by an engineer registered in the State of Maryland. I acknowledge that any falsification of information presented may result in revocation of this approval and of the subsequent Shoreline Construction Permit.
