INTRODUCTION

This Handbook is provided to assist you with understanding the basic application process for an alcoholic beverage license in Worcester County and the laws and rules you will be required to adhere to if you obtain a license. The Alcoholic Beverage Article of the Annotated Code of Maryland should also be reviewed in order to obtain a complete understanding of the alcoholic beverage laws.

If making application as individual, individuals, or as a partnership, each of you must have resided in Worcester County for the past two years.

If making application on behalf of a corporation or limited liability company, one applicant must serve as the Resident Agent. That individual must have resided in Worcester County for the past two years, must be a registered voter in the County, and must own real property in this County. The Resident Agent must hold at least 10% of the outstanding stock unless applying for a Class “B” Beer, Wine and Liquor license, in which case the Resident Agent must hold some percentage of the outstanding stock. **Supporting signatures on the application must be collected by the Resident Agent and only by the Resident Agent.**

When making application on behalf of a corporation or limited liability company, it will be necessary for you to complete and submit with the application a “Stock Ownership Affidavit” or a “Limited Liability Company Member Affidavit”. Additionally, you must submit with the application a copy of your Articles of Incorporation and a copy of the stock certificates representing all issued and outstanding stock or Articles of Organization and Operating Agreement and a copy of your lease (if applicable) for the subject property.

If making application for the transfer of an existing license, you must also complete a transfer application. Further, you must make application to the State’s Comptroller’s Office for the transfer of the alcoholic beverage inventory remaining on the property. A certification of compliance with the Bulk Sales Act by affidavit must also be filed. All sales or excise taxes must be paid current or an agreement must be accepted by the Maryland Comptroller’s office permitting the transfer of the license.

Your application will be advertised by the Board in a local newspaper. Filing deadlines are established to allow for proper advertising. The Board ordinarily conducts hearings on these applications during the third week of each month. It is sometimes necessary to deviate from that schedule; you may confirm hearing dates with the Board’s administrative staff.

In the event your application is approved, your license cannot be issued until the Board has received all documents and certifications required under these rules and regulations and the Alcoholic Beverage Article of the Annotated Code of Maryland, together with all fees.

All licenses expire each year on the last day of April. You should receive a renewal application in the mail at the address you have provided to the Board on or before February 1st. If you have not received a renewal application, it is your responsibility to contact the Board and

ask for a renewal application. State law mandates that you file your renewal application no later than April 1st of each year. Failure to file on time will result in the loss of your license and will require you to apply for a new license. You should not wait until the last minute to file your application for renewal. Appointments for the various required inspections must be made well in advance. Also, the personnel reviewing the applications for errors must process hundreds of applications in less than 60 days. If an error is found on your application, you may not have time to submit a correction before your license expires.

Frequently licenses are issued with restrictions. How do you get a restriction changed? Many times, exceptions can be granted by calling the Board's Administrator in advance of the special occasion. For a permanent change in a restriction you must meet with the Board. This can be accomplished by a letter to the Board's Administrator requesting a meeting to modify the restrictions. Your letter should detail what changes you want to make together with a site plan if the premises is going to be altered.

Upon receipt of any type of application (except renewals or special permits) or request to appear before the Board for changes in license restrictions or alteration of licensed premises, the Board's administrator will request an investigation. An investigator will contact you for an interview and an inspection of the premises. Applicants and licensees should be aware that employees of the Board are not attorneys and can not give legal advice.

In the event a licensee is charged with a violation of the Board's Rules or the Alcoholic Beverage Article of the Annotated Code of Maryland, a public hearing will be held as set forth in the hearing process. If a licensee is found to be guilty of the charges, the Board can impose a fine, suspension or revocation of the license. Accordingly, you are strongly urged to become familiar with these Rules and the Alcoholic Beverage Article of the Annotated Code of Maryland.
