REHABILITATION GUIDELINES FOR WORCESTER COUNTY,
MARYLAND

INTRODUCTION

This rehabilitation plan sets forth the guidelines and procedures governing the operation of the Worcester County Housing Rehabilitation Program.

This program will make available financial and/or technical assistance for the rehabilitation of eligible substandard housing units located in the unincorporated areas of Worcester County. Rehabilitation work will correct deficiencies in the eligible home and make the units safe, sound and sanitary for the occupants. All properties will be rehabilitated to the County's Livability Code.

The legal authority for this rehabilitation program comes from the applicable grant agreement for the Community Development Block Grant Program administered by the Maryland Department of Housing and Community Development.

The local governing bodies, contractors, subcontractors, vendors and applicants for rehabilitation assistance are required to abide by a number of State and Federal laws, and may be required to sign documents certifying their compliance.

The Civil Rights Act of 1964
Executive Order 11246 concerning Equal Employment Opportunity
Standards of Conduct for the CDBG recipients – Conflict of Interest
Notice of Requirement for Affirmative Action to Ensure Equal Employment Opportunity
Standard of Equal Opportunity Construction Contract Specifications
Certification of Non-Segregated Facilities for Contracts over \$10,000
Title VI of Civil Rights Act of 1964
Section 109 of Housing & Community Development Act of 1974
Section 3 Compliance
Age Discrimination Act of 1975
Section 504 Affirmative Action for Handicapped Lead Based Paint Hazards
Access to/Maintenance of Records

Past experience with the Program has shown that there are sufficient applicants to utilize the available funds. If this should cease to be the case, the Administration will market the Program via newspaper and television stories, public service announcements, and contacts with civic and charitable organizations.

The County Commissioners shall have the right to waive certain limits and eligibility criteria on a case-by-case basis as justified by unusual circumstances and with the approval of the State.

SECTION I – ELIGIBILITY

1. Beneficiaries of the Program must be of low-to-moderate income, as defined by income limits provided by the Maryland Department of Housing and Community Development.

The limits may be revised form time to time. Current limits are as follows:

Persons Per Household	Maximum Annual Income
1	40,600
2	46,400
3	52,200
4	58,000
5	62,650
6	67,300
7	71,950
8	76,600

2. The dwelling to be rehabilitated must be located within the unincorporated areas of Worcester County or in a township that does not receive CDBG funding.
3. The dwelling must be in substandard condition and economically feasible of being brought into compliance with the standards of the County’s Livability Code. Exceptions may be made for emergency cases to correct an immediate threat to the health and safety of the occupant(s). All health and safety problems will be documented on a separate form.
4. Program emphasis is the rehabilitation of owner-occupied dwellings, however, landlords who rent to persons of low-to-moderate income may be considered for CDBG funded interest subsidies for bank loans, provided such assistance has been approved by the State.
5. Owner-occupants must not own any house other than the one to be rehabilitated under the program and must not have substantial assets which would enable the applicant to secure rehabilitation funds from other sources.
6. If the dwelling lies within a flood zone, the applicant must agree to obtain flood insurance coverage.
7. Vacant dwellings may be considered for rehabilitation if the dwelling has been vacated due to its substandard condition, and if the owner agrees to occupy the dwelling upon completion.
8. Applicants without property insurance must obtain such insurance prior to the initiation of any work.
9. Homes owned by more than 1 party (other than a husband and wife who reside together) may be rehabilitated even if not all members reside in the home. At least one of the owners must live in the home. All others must sign all program documents, including the application and the final loan documents.
10. The total income of all persons residing in the house will be counted. The income of household members who are presented as residing temporarily in the house will be counted for eligibility purposes until evidence is that the person has moved out.

II. APPLICATION PROCEDURES

1. Applications will be accepted continuously. The following must be submitted prior to application review and underwriting: property tax bill; proof of insurance or commitment to obtain such on property; verification of mortgage (if applicable); and proof of income. The following will be acceptable as proof of income: social security or pension award letters, last two pay stubs, W-2 form for the previous year, or income tax returns. Mortgage verification forms will be used. Employment verification forms will be used at the discretion of the Administrator.
2. The number of applicants which meet eligibility guidelines will be referred to the Program Inspector for completion of a preliminary inspection. This will occur during the times in which the program has sufficient funds to handle the stream of applicants coming in. Preliminary inspections will not be completed for "backlogged" applicants. The purpose of the preliminary inspection is to determine whether the rehabilitation is economically feasible and to determine the health and safety violations which will end in the prioritization of applications. Preliminary inspections will be made in writing and will include the estimated cost time.
3. The Administrator will perform general prioritization of applications for the purpose of presentation to the review board. Priorities are covered in Section III, "Selection".
4. Excess housing demand will be partially addressed by the prioritization discussed in #3, above. In addition, applicants deemed to have greater repayment ability will be referred to the State Special Loans Programs. Consideration will be given in developing programs which will expend the CDBG funds in a timely manner, but yet maximize the number of families served. A prioritized waiting list will be developed so that as more funds become available, families will be reviewed in priority order. All Special Loans Programs cases will be handled using regular SLP procedures
5. Underwriting will be performed prior to presentation to the Housing Review Board. The Administrator will utilize the State Special Loans Program underwriting form. Applicants who expend more than 28% of their income for housing expenses will be deemed unable to repay a loan.
6. The Administrator will prepare recommendations for action by the Review Board and will mail this material to the Board in advance of the meeting at which action is being requested. In order to receive a conditional grant, the applicant must meet one of the following criteria: have income below 80% of the AREA median; be 62 years of age or older; or is spending more than 30% of his gross income on housing, exclusive of utilities.

III. SELECTION

1. Efforts will be made to provide assistance on a first-come, first-served basis, however, severity of need will take precedence. Severity of need will be based on the following criteria:
 - One or more occupants of the dwelling is age 62 or older.
 - One or more occupants of the dwelling is handicapped.
 - Condition of the dwelling is a threat to the health and/or safety of the occupants.
 - Total household income is below 50% of the County median.
2. The Housing Review Board will meet as needed. The Board will review applications and recommendations from the Program Administrator and will make decisions as to which shall be funded and the method of financing. Grievances and appeals against the decision of the Housing Review Board will be made in writing within 30 days after notification of the Board's decision. Additional information not presented at the time of the meeting must be requested with the request for an appeal hearing. Appeals will be referred to the County Administrator who will act on them within 30 days of receipt. Applicants may further appeal to the County Commissioners within 30 days after the decision of the County Administrator. Applicants will be notified of the grievance procedures upon notification of action by the Board on their cases.
3. Upon application approval, the Administrator will send appropriate documentation to the Maryland Historical Trust for the Section 106 review.
4. The Inspector will perform a detailed, written work-up for each approved case.

IV. STRUCTURE OF FINANCIAL ASSISTANCE

1. The average amount of assistance is expected to be \$20,000. The maximum grant amount will be \$30,000. Total improvements may exceed \$30,000 if the after-rehab value of the dwelling is in excess of all mortgage amounts and the home can be brought into compliance using what is still considered to be moderate to of these substantial rehabilitation guidelines. CDBG Awards exceeding \$30,000 shall be in the form of 0% interest loans; payment amounts to be determined using the Special Loans Program underwriting worksheet. Recipients must make payments as scheduled to the County Treasurer's Office until the entire principal amount of the debt is retired; there is no expiration on the term of the loans. The Board may alternatively elect to supplement the \$30,000 maximum grant amount with loan funding through the State Special Loans Program. Payment and interest would be set by SLP according to their Program guidelines and loans would be serviced through their agency.
2. In cases of the sale or cash-out re-financing of rehabilitated properties, the County must be re-paid the balance of the loan or grant per the terms outlined in the agreement. Reverse mortgages are not permitted while liens are still in effect. The following tiered system applies for liens placed on houses rehabilitated through a CDBG grant:
 - Tier I- \$0 to \$12,500 grant requires a five (5) year lien

Tier II- \$12,501 to \$25,000 grant requires a ten (10) year lien

Tier III- \$25,001 to \$30,000 grant requires a fifteen (15) year lien.

A tiered portion of the grant amount must be repaid if the dwelling is sold after rehabilitation and prior to the expiration of the grant term. Repayment is required according to the following schedule:

For five year liens:

Sale in the first year:	100% grant repayment
Sale in the second year	80% grant repayment
Sale in the third year	60% grant repayment
Sale in the fourth year	40% grant repayment
Sale in the fifth year	20% grant repayment

The grant mortgage will be released after the fifth year and no repayment is required thereafter.

For ten year liens:

Sale in the second year	90% grant repayment
Sale in the third year	80% grant repayment
Sale in the fourth year	70% grant repayment
Sale in the fifth year	60% grant repayment
Sale in the sixth year	50% grant repayment
Sale in the seventh year	40% grant repayment
Sale in the eighth year	30% grant repayment
Sale in the ninth year	20% grant repayment
Sale in the tenth year	10% grant repayment

The grant mortgage will be released after the tenth year and no repayment is required thereafter.

For fifteen year liens:

Sale in the third year	87% grant repayment

Sale in the thirteenth year	20% grant repayment
Sale in the fourteenth year	13% grant repayment

general specifications which detail the level of materials and workmanship quality.

VI. CONTRACTING

1. The County will advertise publicly for bids based on the work write-up prepared by the Rehabilitation Specialist. Minority and female owned firms will be encouraged to bid.
2. Contractors must complete a Qualification Form to be considered as an eligible bidder.
3. Bids will be reviewed for accuracy and responsibility and a recommendation for award will be provided to the County Commissioners. Bids will generally be awarded to the lowest bidder. The County Commissioners reserve the right to accept or reject any or all bids.
4. The County may limit the number of contracts to be awarded to one contractor during any one bid solicitation and may negotiate with other bidders for remaining contracts.
5. Following award, the Owner-Contractor Agreement will be executed by the contractor and homeowner. The Program Administrator will then issue a Notice to Proceed.
6. The contractor may request progress payments as often as needed. Payments are made following inspection by the Program Inspector and upon approval by the Program Administrator. The contractor may receive up to 75% of the total contract in this manner; the final 25% will not be paid until satisfactory completion of a final inspection and the achievement of lead clearance on applicable projects. The homeowner, Program Inspector, contractor and Program Administrator are required to sign-off on the final payment request in order for payment to be processed.
7. All work involving well and septic installation will be bid separately and will not require the certification of the Program Inspector. The Administrator will work directly with the Environmental Programs Department for this procurement. E.P. will also perform the inspections.
8. The inspector will obtain the owner's signature on the Certificate of Completion prior to the final payment being made. If there is a dispute, the inspector and Program Administrator will make the determination and document the reasons for such.
9. Any homeowner who has problems with the work after its completion, (i.e., leaking pipes) should contact the Program Administrator who will

**BID AND CONTRACT PROCEDURES
WORCESTER COUNTY HOUSING REHABILITATION PROGRAM**

It shall be the policy of the Worcester County Rehabilitation Program to maximize participation by minority contractors. The Program Administrator shall consult all available resources for names of minority contractors.

The procedures contained herein apply only to work funded in whole or in part with County CDBG funds. Other agencies which supplement the CDBG funds have the option of using their own procedures.

CONTRACTOR QUALIFICATION

1. An advertisement soliciting interested rehabilitation contractors shall be placed in local newspapers by the Worcester County Housing Rehabilitation Program on behalf of the property owner. This ad will contain the information necessary to request a bid package and the date that bids are due.
2. Bid packages will be mailed to those contractors requesting them.
3. Bid packages will be mailed to those contractors known to be active in the area. The following will be required of contractors:
 - a. Adequate liability insurance (\$100,000/\$300,000 for personal injury and \$100,000 for property damage), listing agent's name, amount, expiration date and name of insurer.
 - b. Name of the company bank
 - c. The names of the usual subcontractors
 - d. The names and addresses of at least two (2) recent residential rehabilitation or remodeling customers
 - e. A list of all principal officers of the company
 - f. Number and date of the Maryland Home Improvement License
4. Contractors meeting the qualifications above will be deemed acceptable and will be allowed to bid on the rehabilitation projects. This privilege is contingent on the fact that no contractor is on HUD's debarred list, has filed bankruptcy or is otherwise deemed ineligible. The Housing Specialist/Inspector and the Housing Rehabilitation Program Administrator and award of the bid by the County Commissioners shall make final selection of the contractor after an evaluation of the bid. The name of contractors who do not perform satisfactorily will be submitted to the County Commissioners with a recommendation that they not be allowed to bid on future projects.

5. Contractors will return completed and sealed bid packages to the Budget Officer no later than the date established in the advertisement. No bids will be accepted after this deadline. Faxed bids are not acceptable.
6. No items are to be omitted. All bids are to be totaled on the first page of the work write-up and signed by the contractor on the last page. Any bid which contains omitted items will be disqualified.
7. The jobs are to be bid on an individual basis, group bidding is not allowed.
8. Any questions concerning the substance of the work write-up should be clarified before the bid is submitted. No change orders may be made without the approval of the Worcester County Housing Rehabilitation Program Administrator. The submitting of bids shall be taken as a contractor's acknowledgement of the adequacy of the scope of work unless the bid is accompanied by a statement expressing the contractor's questions or concerns.
9. Bids will be reviewed by the Housing Specialist/Inspector and the Program Administrator. All bids will be opened publicly and read aloud at a specified time.
10. The contract for approved applications will be awarded consistent with the County's purchasing policy. Generally this will be the low bidder provided that he or she has met all eligibility criteria, and that the bid covers all items on the work write-up and that the bid appears to be feasible and responsive. *The County Commissioners will award the contract at a regular meeting.* It is the general policy of the program to use general contractors. However, there may be instances where work to only one trade is to be done. In these cases, the Administrator may solicit the appropriate subcontractor. All well and septic work will be bid separately.
WORCESTER COUNTY RESERVES THE RIGHT TO REJECT ANY OR ALL BIDS.

CONTRACT PROCEDURES

1. A contract for construction work financed by a rehabilitation grant or loan shall be undertaken between the contractor and the property owner. The County will not be a party to such a contract, but will act on the recipient's behalf in bidding, contract award and inspections of work completed.
2. The form of the contract shall be as follows: a single document, containing the general conditions and specifications for the work performed. The bid form is included in the contract by reference.
3. General contract provisions shall be required in all rehabilitation construction contracts, including:

- A provision that a written “Proceed to Work” order within a “to be determined” number of days is issued
- A provision that the Contractor will be paid the contract price according to a payment schedule specified within the contract when work is satisfactorily completed. Payment will be made as soon as possible after receipt of the contractor’s invoice and for final payments receipt of release of liens by the contractors, suppliers and laborers involved.

4. The Contractor shall be required to follow the following provisions:

- Comply with all County inspection requirements
- Perform all work in accordance with applicable standards and requirements, whether or not covered by the work specifications.

OWNER/CONTRACTOR DISPUTES

If a dispute between the homeowner and contractor concerning workmanship, quality of materials, or scope of work occurs, the Program Inspector will meet with both parties to discuss their concerns. The Program Inspector will advise the homeowner and contractor, in writing, of the recommended resolution. If both parties are not satisfied with the recommended resolution, they may respond in writing to the Program Administrator within 10 days of the date of the notice from the Inspector. The Program Administrator will meet with the homeowner, contractor and inspector at the property, listen to the concerns of all parties and evaluate the disputed work. The Program Administrator will respond in writing within 10 days of the meeting. If the homeowner or contractor do not accept the final resolution of the Program, the dispute will be referred for independent arbitration as provided for in the terms of the Worcester County Housing Rehabilitation Owner-Contractor Agreement.

CHANGE ORDERS

It is the policy of the Worcester County Housing Rehabilitation Program to carefully evaluate change orders. Every effort will be made to ensure that the work write-ups are complete and accurate representations of the work to be done in accordance with program guidelines. We require contractors to clarify any questions regarding the work write-up prior to the submission of a bid.

For other items on which change orders may be required, the following procedures will apply, regardless of whether the request for a change is initiated by the contractor or a homeowner:

1. The contractor is required to telephone both the Program Administrator and the Project Inspector with a verbal explanation of the situation.

2. The Project Inspector will visit the job site to render an opinion on the need for the change. If the Project Inspector recommends denial of the change order, this decision shall be final.
3. If the Project Inspector finds that the request is justified, he will so inform the Program Administrator who will render the final judgment. The Inspector will also give his opinion as to the reasonable cost of the proposed change.
4. Change orders which would bring the total grant amount above the maximum are not permitted. In cases of this nature, every attempt will be made to substitute a change for an originally approved item which is of lesser importance or to seek funds from other programs.
5. The Program Administrator will require the contractor to fill out and sign a change order form prior to permitting work to proceed.

RECRUITMENT OF MINORITY, SMALL, AND FEMALE CONTRACTORS

It is the policy of the County to attempt to recruit and assist small, female and minority contractors. Solicitations for bids will be placed in local newspapers. Additionally, the Administrator will attempt to locate such contractors and place them on the builder's list. He/she will consult such sources as the Maryland Department of Transportation Business Directory, the Lower Shore Contractors Association (a minority association), Shore-Up!, and O.U.R. Community, as well as any other group known to have knowledge of minority, small and female contractors.
