

NOTICE TO BIDDERS

EQUALIZATION TANK REPLACEMENT RIDDLE FARM WASTEWATER TREATMENT PLANT WORCESTER COUNTY, MARYLAND

The Worcester County Commissioners are currently accepting sealed bids for the design, supply and installation for Contract Number 570-19-1 which calls for replacing the 211,600 gallon raw wastewater equalization (EQ) tank at the Riddle Farm Wastewater Treatment Plant (WWTP), located near 11352 Grays Corner Road, Berlin, Maryland 21811 for the Worcester County Department of Public Works Water and Wastewater Division.

Bid specification packages and proposal forms are available from DiCarlo Precision Instruments, Inc., 2006 Northwood Drive, Salisbury, Maryland 21801 (410 749 0112).

Interested bidders are encouraged to tour the existing WWTP which can be arranged by contacting Gary Serman or John Ross, Deputy Director of Public Works, at 410-641-5251. **Sealed bids will be accepted until 1:00 PM (EDT) on Monday, July 29, 2019** in the Office of the County Commissioners at Room 1103 Worcester County Government Center, One West Market Street, Snow Hill, Maryland 21863, at which time they will be opened and publicly read aloud. Envelopes shall be marked "**Bid for Contract Number 570-19-1, Riddle Farm Equalization Tank Replacement**" in the lower left hand corner. After opening, bids will be forwarded to the Public Works Department for tabulation, review and recommendation to the County Commissioners for their consideration at a future meeting.

In awarding the bid, the Commissioners reserve the right to reject any and all bids, waive formalities, informalities and technicalities therein, and to take whatever bid they determine to be in the best interest of the County considering lowest or best bid, quality of goods and work, time of delivery or completion, responsibility of bidders being considered, previous experience of bidders with County contracts, or any other factors they deem appropriate.

All inquiries shall be directed to Gary Serman or John Ross at 410-641-5251.
