September 22, 2020

This notification is to advise you that the Department has received and is presently reviewing the following request for a shoreline construction project:

Thomas Jenkins - Request No. 2020-082 – Request to install a 6' x 90' pier with a 10' x 20' "L" shaped platform not to exceed 100' channelward. This project is located on vacant lot on Martins Port Drive, Martins' Port Subdivision, also known as Tax Map 9, Parcel 161, Lot 12A in the Fifth Tax District of Worcester County, Maryland.

The Department in considering this application will make specific findings of fact with regard to the environmental impact, navigational impact, recreational potential, commercial benefit to Worcester County, impact of the proposed construction upon the surrounding neighborhood and upon property values therein, and any other pertinent issues. Approval from the Department does not guarantee approval from any other applicable regulatory agencies.

**If you have an interest, which may be adversely affected by the issuance of this permit, you are requested to notify this Department in writing within fifteen (15) calendar days, which will end on October 7, 2020.**

Sincerely,

Joy S Birch

Natural Resources Specialist III

As the applicant, I attest that the information presented on this application, site plan and any written documentation attached hereto is known to be accurate. I understand that the proposed shoreline improvement will be constructed to meet or exceed minimum design standards adopted by the Department. Any deviation from these standards will require construction plans sealed by an engineer registered in the State of Maryland. I acknowledge that any falsification of information presented may result in revocation of this approval and of the subsequent Shoreline Construction Permit.
