

NOTICE TO BIDDERS
CONSTRUCTION OF PUMP STATIONS 2, 3, 4, AND 5 ELECTRICAL UPGRADES
WORCESTER COUNTY, MARYLAND

The Worcester County Commissioners are currently accepting sealed bids for construction of Pump Stations 2, 3, 4, & 5 Electrical Upgrades for the Worcester County Department of Public Works – Water and Wastewater Division. The Project generally consists of relocating the existing electrical power distribution and controls system equipment from the existing dry pit below grade to a new location above grade. The new SCADA Pump Control Panel, provided by the County, will be installed on a concrete equipment pad at each pump station. The existing power distribution equipment within the existing enclosure located above grade shall be upgraded. The remaining upgrades for the four pump stations will also consist of wet well modifications, wiring, conduits, equipment upgrades, testing, start-up, site restoration and close-out, and includes furnishing all equipment, material, and labor for the work described in the bid document drawings and specifications. Bid documents are available from DiCarlo Precision Instruments, Inc., 2006 Northwood Drive, Salisbury, Maryland 21801 (410-749-0112).

Interested bidders are encouraged to attend a non-mandatory **Pre-Bid Conference at 10:00 AM (EDT) on Tuesday, November 24, 2020** at the Worcester County Department of Public Works – Mystic Harbour Wastewater Treatment Plant at 9624 Stephen Decatur Highway, Berlin, Maryland 21811. **Sealed proposals will be accepted until 1:00 PM (EDT) on Monday, December 21, 2020** in the Office of the County Commissioners of Worcester County at Room 1103 - Worcester County Government Center, One West Market Street, Snow Hill, Maryland 21863, at which time they will be opened and the results posted online shortly thereafter.

Envelopes shall be marked "**Bid Enclosed – Pump Stations 2, 3, 4, & 5 Electrical Upgrades**" in the lower left-hand corner. After opening, bids will be forwarded to the Public Works Department for tabulation, review and recommendation to the County Commissioners for their consideration at a future meeting. In awarding the bid, the Commissioners reserve the right to reject any and all bids, waive formalities, informalities and technicalities therein, and to take whatever bid they determine to be in the best interest of the County considering lowest or best bid, quality of goods and work, time of delivery or completion, responsibility of bidders being considered, previous experience of bidders with County contracts, or any other factors they deem appropriate. Inquiries can be directed to Darl Kolar, P.E., Project Manager, EA Engineering, Science, and Technology, Inc., PBC at 410-641-5341.
