TIMBER HARVEST PERMIT CONDITIONS AND DISCLAIMER:

COMPLIANCE WITH COUNTY REGULATIONS. I hereby certify that I am the owner of the property which is the subject of this application. As the owner, I understand that the issuance of this Timber Harvest Permit indicates that the proposed use is permissible under the Worcester County Zoning and Subdivision Control Ordinance and that it is issued for the purpose of compliance with the requirements of said ordinance and all other applicable County Regulations, including the receipt of approvals and permits required by such other regulations. RIGHT OF ENTRY. The Owner/Applicant hereby grants the Department a right of entry onto this property for the purpose of inspection and determination of compliance with this permit. NON-TIDAL WETLANDS. The Owner/Applicant hereby acknowledges that this property may contain soils, vegetation or hydrological conditions which, in combination, may indicate the presence of non-tidal wetlands. If such is the case, a permit may be required from the U. S. Army Corps of Engineers and/or the Maryland Department of Natural Resources and those agencies should be contacted prior to initiation of construction activity. This Timber Harvest Permit is issued for County regulatory purposes only and does not indicate or imply that any such Federal or State permits have been obtained, are necessary, or may even be necessary. RESPONSIBILITY FOR COMPLIANCE. The Owner/Applicant understands that this permit does not presume to give authority to violate or nullify the provisions of any other Federal, State or County law, regulation, construction, or the performance of construction. OBTAINING OTHER PERMITS. As the Owner/Applicant, I assume all liability and responsibility to determine, request and obtain any and all required Federal, State or County permits necessary to implement this Timber Harvest Permit and hereby acknowledge and accept that any construction or improvement described in this Timber Harvest Permit is initiated at the Owner/Applicant's own and sole risk.
